When the Legislature graphic dispatch, the banker closes his to this hour. As an evidence of the fact, doors and writes over them, "to let," the telegraphic dispatches were sent off on land office, as he publicly declared he the exact amount of the increase through-Union, the palladium of our liberties, is the bolt, announcing that Douglas had tottering like a drunken man, confusion, written letters to Baltimore withdrawing gloom and darkness overshadow the his name and going for a Southern man. whole country, and people anxiously in- (Applause.) Those dispatches were sent quire what the end will be? While in by the seconders to all portions of the counconversation with a leading Republican, of Cleveland, we were assured by him that he voted and did all he could for Lincoln but his election was the saddest calamity that has ever fallen upon this tion foots up as follows:

A Sensible Measure.

A motion was made in the Logislature of Vermont a few days since, to repeal the Personal-Liberty Nullification Law. The proposal was received with favor, and re ferred to the Judiciary Committee, and hopes are entertained that the obnoxious law will be repealed. Vermont is the most intense Republican State in the Uni on, and the Legislature is nearly all Re publican. This looks as if the party had become alarmed at the condition of the the country, caused by its mad action, and Alabame intend to take a step backward in the di- Arkansas rection of peace and harmony.

Spiritualists. According to statistics published by the Maryland . Spiritual Register, there are 350,000 spiritualists in the single state of New York; 150,000 in Ohio; 100,000 in New England; 90,000 in Illinois; 70,000 in Michigan; 70,000 in Wisconsin; 50,000 in Indiana, and 40,000 in Maine. Altogether Virginia the United States contains, it is estimated. Kentucky 1,200,000 persons who believe in this doctrine, and yet it was only a few years since it was developed by the Rochester Rappings. What is the fool-killer about?

Results of Lincon's Election.
